

## Collective Impact Plan of Action

Our Priority:

What's the change or shift we seek to make?

**Current:**

**Future:**

What data do we have to inform our understanding of our priority (common agenda)?

What data do we hope to have over the next 6 months, 12 months, 3 years?

What are the **challenges** we anticipate we will confront? How will we address these challenges?

What are the **opportunities** we anticipate will help us move forward? How will we leverage these opportunities?

What are our key resource needs?

Who needs to be involved? Who will take the lead in contacting additional partners & allies?

What is our timeline?
