17. What additional people and organizations could help the Network accomplish its goals?

To help Health Share facilitate a learning agenda to support Network members and their organizations to work collaboratively toward shared goals, we wanted to gather some preliminary information from participants about current organizational capacity and experience with developing, utilizing, and applying an equity framework or lens. Although the Network has prioritized addressing disparities based on race, income, and disability, these two items intentionally and specifically relate to understanding the Network's racial equity readiness.

| <i>Based on your position in and experience with your organization, how would you describe your current <u>organizational characteristics</u> in the following:</i> | We haven't started work in this area yet | Plans exist to use this in planning & implementation | This is in place and we have evidence of its use | This is part of our routine and we model it for others |
|--|---|---|---|---|
| 18. Demonstrates an institutional commitment to addressing/eliminating racial inequities. | 1 | 2 | 3 | 4 |
| 19. Supports staff to address racial inequities. | 1 | 2 | 3 | 4 |
